

EMERGENCY PURCHASES

Emergency Purchase Number **AFF06-01**

FINAL COST

Office/Division: Department of Transportation/Division of Highways
Region 4/District 7
Address: 400 West Wabash Avenue
Effingham, IL 62401

Responsible Chief Procurement Officer: Timothy W. Martin

Vendor: E.T. Simmonds Construction Co.
Address: 1500 North Oakland, P.O. Box 2107
Carbondale, Illinois 62901

Estimated Cost: \$30,000.00

\$14,580.77

This expenditure is justified as:

- ☐ An emergency involving public health.
- ☒ An emergency involving public safety.
- ☒ Necessary to protect State property from further loss or damage.
- ☒ Necessary to prevent or minimize serious disruption in State services.
- ☐ Necessary to insure integrity of State records.
- ☐ Quick purchase as provided by Section 20-30 (d) of the Illinois Procurement Code.

The conditions and circumstances requiring this emergency expenditure are:

As a result of scour, the spread footing of Pier #3 and #4 of the eastbound bridge of FAI Route 64 over the Wabash River has been undermined. Since these are spread footing with no piling underneath, any undermining (loss of contact between bottom of footer and bedrock) threatens the structural integrity of the bridge.

This emergency repair involves filling the void areas under the footings with concrete.

E.T. Simmonds will provide the material and delivery of material to the site, including the pumping of the concrete under the footers

REASON FOR CONTRACTOR SELECTION: E.T. Simmonds was chosen because they are already on site under contract to do deck repairs to both eastbound and westbound bridges. They are able to provide the necessary resources on short notice.
